

POP UP

BEYOND THE BUBBLE

Pop-Up Events are local, interest-based events planned and led by Machonikim with a specific focus on outreach and engagement with an underlying Jewish theme.

Do's:

- Plan and implement your Pop-Up Event between August and June of your senior year
- Invite 3-10 friends who are not engaged in Jewish life, plan a NFTY 678 event, or host a Camp Info Session. You must work with a camp staff member if you choose to do a Camp Info Session.
- Plan something that excites and inspires you. Utilize the resources shared with you at the Pop-Up Training Day
- Your event must be a new event (not something that is already happening)
- Contact Emily Messinger at emessinger@urj.org if you have any questions or need any help.

Don'ts

- Pop-Up Events cannot be prepared in pairs unless you plan two events
- Pop-Ups cannot be a Machon reunion
